I AM...

I am thinking all the time—my mind races like a cheetah.

I have hair like springs, and it looks like Einstein by the last period of the day

My family thinks I am sleeping when I go to bed at 7:00, but I'm really doing work.

My friends know I won't see them again until next summer.

Use nouns, verbs, adjectives, pronouns, adverbs, metaphor, simile, hyperbole to describe yourself.
